

# Flanschdichtungen Novapress 850 /Novaform 2300

**Novapress 850 /  
Novaform 2300**

## Weitere Informationen

- Zulassungen: Blow-out VDI 2200, DVGW, EG 1935/2004, FDA, GL, TA Luft, Trinkwasser gemäß Elastomerleitlinie („KTW“), VP 401, W 270, WRAS

| Bestellnummer | Nennweite (DN)                   | Lochkreis (in mm) | Lochzahl | Ø-Loch (in mm) | Maß (in mm)    |
|---------------|----------------------------------|-------------------|----------|----------------|----------------|
| 502010878030  | Gaspindel Tankwagen              | 91                | 4        | 6,5            | 108 x 78,5 x 2 |
| 502011535030  | PN10/16 - DN25                   | 85                | 4        | 14             | 115 x 35 x 2   |
| 502011545030  | Gasrücklaufleitungsflansch       | 90                | 4        | 13,5           | 115 x 45 x 2   |
| 502014043030  | PN10/16 - DN32                   | 100               | 4        | 18             | 140 x 43 x 2   |
| 502014061030  | PN6 - DN50                       | 110               | 4        | 15             | 140 x 61 x 2   |
| 502015049030  | PN10/16 - DN40                   | 110               | 4        | 18             | 150 x 49 x 2   |
| 502015450030  | TW2 - DN50                       | 130               | 8        | 12             | 154 x 50 x 2   |
| 502015490030  | TW1 - DN80                       | 130               | 8        | 12             | 154 x 90 x 2   |
| 502015410530  | TW2 - DN80                       | 130               | 8        | 12             | 154 x 105 x 2  |
| 502016561030  | DN50                             | 125               | 4        | 18             | 165 x 61 x 2   |
| 502017411030  | TW3 - DN100                      | 150               | 8        | 14             | 174 x 110 x 2  |
| 502018576030  | PN10/16 - DN65                   | 145               | 4        | 18             | 185 x 76 x 2   |
| 502020090030  | DN80                             | 160               | 8        | 18             | 200 x 90 x 2   |
| 502020413530  | TW5 - DN125                      | 176               | 8        | 14             | 204 x 135 x 2  |
| 502022011530  | DN100                            | 180               | 8        | 18             | 220 x 115 x 2  |
| 502022014030  | Bodenventil - DN80               | 190               | 8        | 15             | 220 x 140 x 2  |
| 502022016230  | Bodenventildichtung innenliegend | 190               | 8        | 14             | 220 x 162 x 2  |
| 502022516030  | Sonderflansch                    | 190               | 8        | 12             | 225 x 160 x 2  |
| 502022911030  | Seitenfüllanschluss              | 170               | 8        | 19             | 229 x 110 x 3  |
| 502023218530  | API-Kupplung                     | 212,5             | 12       | 10             | 232 x 185 x 2  |
| 502023315830  | Pumpenflansch                    | 210               | 8        | 14             | 233 x 158 x 3  |
| 502023515530  | Sonderflansch                    | 210               | 8        | 18             | 235 x 155 x 2  |
| 502024016030  | TW7 - DN150                      | 210               | 12       | 14             | 240 x 160 x 2  |
| 502025014130  | PN10/16 - DN125                  | 210               | 8        | 18             | 250 x 141 x 2  |
| 502027021030  | Bodenventil                      | 240               | 12       | 14             | 270 x 210 x 3  |
| 502028016930  | PN10/16 - DN150                  | 240               | 8        | 22             | 280 x 169 x 2  |
| 502033626030  | Inhaltsanzeiger                  | 311               | 12       | 12             | 336 x 260 x 3  |
| 502034022030  | PN10 - DN200                     | 295               | 8        | 22             | 340 x 220 x 2  |
| 502034022130  | PN16 - DN200                     | 295               | 12       | 22             | 340 x 220 x 2  |
